Dear CGPU Reps, Please share the email with S3 and S5 class groups.

Dear Students,

The IIIC/CGPU, College of Engineering, Trivandrum (CET), is organising a one-day Institute–Industry Collaboration Programme for **S3 and S5 B.Tech** students on **30 October 2026**.

The programme will feature three parallel sessions focusing on **Artificial Intelligence (AI), Cybersecurity, and a Hackathon**, providing students with valuable opportunities to enhance their technical skills and industry readiness.

Participation and performance in the Hackathon will provide students with practical exposure and may strengthen their profiles, enhancing their prospects in future placement opportunities.

S3 & S5 students are kindly requested participate actively in this programme. Interested students may register using the Google Form link provided below. Registration Closes on 28th Oct 2026

Registration Form: TCS Tech Day

Thank you for your support and cooperation.

Program Schedule

Time	Program
9:15 AM	Inaugural function at CGPU Hall
9:30 AM	Address by Smt.Lakshmi Nair, Delivery Head, Enterprise Solutions, TCS Topic: Opportunities for Students at TCS
10:00 AM – 12:00 PM	**Parallel Workshops** **Workshop 1:** Cybersecurity (Venue: C-Cube)

Workshop 2: Internet of Things (Venue: CETAA Hall)

Workshop 3: Artificial Intelligence (Venue: CGPU Hall)

1:15 PM **Hackathon** – For registered students only (Venue: CGPU Hall)

Important Information

- **Workshops:** Choose one of the three parallel workshops.
- **Hackathon:** 90 minutes for the hackathon, followed by 30 minutes for jury evaluation.
- **Eligibility:** 2nd and 3rd year engineering students.
  Only registered students can participate in the hackathon.

Regards,

Dr. Mathew John
